

# *Come Home To Unity Retreat with Rev. Bill Englehart May 22 - 26, 2012*

Join Rev. Bill and fellow Unity In Marin community members as we explore the past, present, and future of The Unity Movement. Travel back in time to Historic Unity buildings in Kansas City — see a sunken steamboat full of relics and treasures! Meet with leaders of the Unity Movement at Unity Village and tour the many sacred spaces where one can "go apart" and experience the stillness. The tour of Unity Village will include:

- The Silent Unity Building where the Telephone Prayer Ministry is located.
- The Education building where Unity Institute holds its Ministerial Education Program and Spiritual Education and Enrichment classes.
- The lush rose garden, the labyrinth and acres of wooded landscapes.

The land package includes 4 nights lodging, 12 meals, RT ground transportation MCI to Unity Village, and a 5-6 hour trip downtown during our stay. The following is an approximate breakdown of prices and accommodations for the land package (local transportation costs may vary):

- \$494 for 2 people sharing a motel room at Unity Village
- \$556 for 2 people sharing a hotel room at Unity Village
- \$606 for 1 person in a motel room at Unity
- \$688 for 1 person in a hotel room at Unity Village

Be a part of a thriving movement of fellow spiritual seekers of Truth and come home to the birthplace of Unity. Listen and follow your heart to see where Spirit is leading you on your journey. Come, be a part of the future of Unity.

See Rebecca Dugan, Unity In Marin's Spiritual Travel Specialist, at the Retreat table in the courtyard to sign up! Rebecca will help with the booking arrangements, and will help answer any questions you may have regarding travel arrangements.
