7:15 – 8:15 pm

Exploring the Sacred with Slightly
Mad Mystic, Lawrence Freeman

Each month we explore the profound and beautiful expressions of the sacred life through art, music, dance, and the sacred journeys of the mystics.

Lawrence one of Unity In Marin's Youth teachers will share the sacred path he has walked inspiring us with the rich deep experiences of the possible sacred journey within and without. We join together to celebrate the release of his new book.

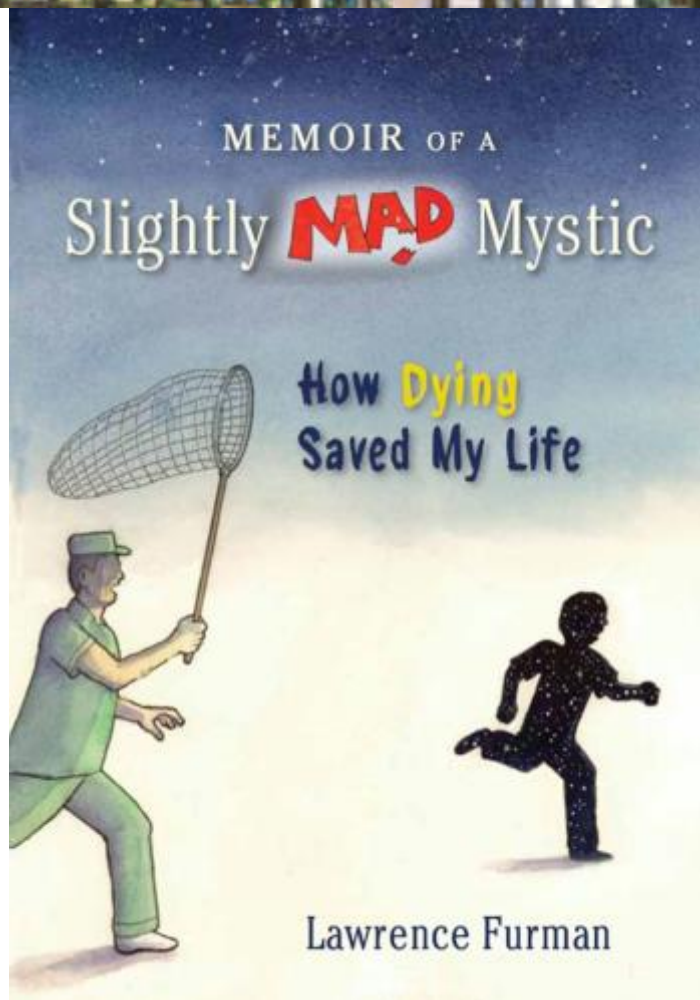

Join the Party!

"It's something unpredictable, but in the end, it's right,
I hope you had the time of your life."

- Green Day
