EQUINOX SOUND HEALING CONCERT

Welcome and Guided Meditation by Lisa Starbird

Wednesday September 20, 2017

at Unity in Marin

7:15 pm in the Sanctuary

You and your friends are invited to join us for this uplifting experience.

"As we honor the changing energies of the seasons, we join our own healing energies to align, attune and radiate our blessings out to the world.

The musical meditations will include some surprises to anchor us more deeply into the brainwave states of transcendence, love and joy."

STEVEN HALPERN is a Grammy nominated #1 best selling composer, recording artist, producer, author and researcher.

He's been an "evolutionary activist" for inner peace and mindfulness through music for over 40 years.
