

## CHAPEL

The chapel's charming interior is carpeted, has light-colored walls and cushioned chairs for flexible seating for both wedding ceremonies and receptions. Windows line the top of each side wall, bringing in views of the ever-changing sky. The room's mood and ambience is further enhanced by an ethereal, half dome ceiling over the maple-floored chancel/stage area.

## COURTYARD

Step back in time to the sun-kissed days when California belonged to Spain and the centers of its towns held flowing fountains, colonnades, bell towers, gardens and charming baroque facades. Outdoor ceremonies are easily arranged here in the courtyard with a fountain as its centerpiece, and a shaded walkway to enclose it. Roses, wisteria, beautifully trimmed palms and a lush lawn offer a lovely outdoor option for wedding receptions as well.

2,400 sq. ft.*

### *Testimonial:*

*“Thanks so much for all your hard work. We thought our wedding day was flawless. Everything turned out perfectly. Thanks for dealing with our nerves and handling everything without any difficulties.”*
